

SAOF Emit warranty:

Thanks to being recognised as an official sport in South Africa, the SAOF is able to sell EMITS to club members at a reduced cost. Non-club members are not permitted to purchase an EMIT. When you purchase an EMIT from the SAOF, your EMIT card comes with the following warranty:

- Should your EMIT fail within 2 years from when it was purchased by the SAOF from EMIT then you will get a free replacement from the same series.
- Should your emit fail after 2 years from when it was purchased by the SAOF from EMIT then you may purchase a replacement from the same series at a discount. The discounts are dependent on the age of the EMIT and are shown in the table below.
- No discount applies if your EMIT fails after 5 years.
- We do not sell EMITS from a series for which the warranty has expired.
