

**Silva Award:**

POC would like to nominate Anna Leputu for the Silva Award, her contribution was amazing to an extend of being crowned by Mokumong Sports Foundation to be chairwoman of orienteering in the entire area of Molepo in Limpopo Province under supervision of the provincial development officer: Ephraim Chuene. Anna's effort of marketing the sport, increased number of participants for POC's events by 60% attendance through out the year, it is really a valued effort because it increased also number of PDI for SAOF records. Anna developed Mokumong Orienteering Club which is currently a sub club of the Polokwane Orienteering Club, she is the main key of marketing the sport in the Limpopo Province.

Kind Regards,

Ephraim Chuene
