The organisers and the SAOF-affiliated orienteering clubs, members and volunteers do not accept responsibility for any injury or loss sustained, including any consequential losses, of whatsoever nature at, during or around an orienteering event. Participants take part in the events and schools host such events at their own risk and indemnify the organisers and the SAOF affiliated orienteering clubs, members and volunteers from any claim arising at, during, around or as a result of an orienteering event.

I acknowledge that orienteering is an outdoor sporting activity with inherent risks, such as twisting of ankles and common sports injuries, associated with running and that the parent/guardian indemnifies SAOF against liability.

I accept responsibility for replacing an Emit card (electronic timing device) at a cost of approximately R600 should my child not hand back the emit allocated to him/her after each event.

I am aware that photos taken during events will be posted in newsletters as well as on the OSL Facebook page.
