

Because of our rejigged schedule, it means that our next event is **this coming Sunday afternoon!** That means you have just 4 days to enter. **Bishopscourt** presents a small and beautiful area for some challenging sprint orienteering. And don't be fooled by the slightly shorter distance, the courses will really test your navigation and leave your brain in a knot.

As usual, this a **pre-entry only event** and entries close at midnight on **Thu 28 Oct** so delay no longer.

Finally, you may have noticed the ever present **Lyn Terry** is always the one helping you out at registration. It would be great to have two or three other volunteers who are willing to join the registration team to help spread the load. Drop us a mail if you can help.
