

WELGELEGEN METROGAINE RESULTS

Well done to all who braved the weather forecast to come out to our first Metrogaine in Welgelegen. Apart from a little wind, the conditions were surprisingly good for an enjoyable run around the burbs.

A huge thanks to **Andrew** for drawing the map and setting up the course, as well as to **Belinda** and **Sean** for helping out on registration and start. Also to **Esther** and **Mark** for once again putting on a short course for the kids. (Although this time I didn't see Connor competing to earn a fizzer.)

The least visited controls were numbers 33 and 34, while the most popular was number 16. Number 23 was definitely the most interesting when it came to pavement decoration, as it took me a little while to get the kids moving again.

Results are below.

Also note that our next event is in 2 weeks time at the [Noordhoek Riding Club](#).
