

The conditions on Saturday evening were almost perfect for a run around the beautiful Clovelly golf course. A big thanks to the club management for letting us use the course again, as this event is definitely one of our highlights. If you haven't done this one before, make sure you get it in the diary for next year!

Mass start events are always fun and interesting, and I think we got this just about right this year as it seemed that everyone had a good time and I heard no complaints about following.

The full results are below as well as on our website, but well done to all who finished - especially all the first-timers - and thank you to all those who helped set up or tidy up afterwards: **Lyn, Jacori, Eben, Paul, Oliver, Sarah, Gustao & Steven,**

Our next event is scheduled for 26 October, though we are still trying to finalise some of the details. We'll let you know the plan as soon as possible.
